WE ARE MEMBERS of the National Association of Tax Professionals (and ME chapter), National Society of Tax Professionals, National Association of Enrolled Agents (and ME chapter), National Society of Accountants (and ME chapter), National Institute of Professional Bookkeepers, National Association for the Self Employed, Lincoln Lakes Region Chamber of Commerce, and the Lincoln Business Referral Group.

“HELP, I RECEIVED A NOTICE from the IRS.” If this happens to you, call us immediately. We want to assist you in all correspondence with the IRS or Maine Revenue. If it concerns a return we prepared there is usually no extra charge for this service.

MAINE UPDATES. Starting in 2017 for the 2016 tax year, Maine no longer has a deduction for 529 Plans or Long Term Care Insurance Premiums. Also, military pension income is now fully deductible from Maine income (previously the limit was \$10,000). And there is a new Sales Tax Fairness Credit available to lower income taxpayers. It works very similar to the Property Tax Fairness Credit. Both of these credits and the Earned Income Tax Credit are refundable, so you may be able to get these state credits (and a tax refund) even if you normally wouldn't have to file a Maine income tax return.

IMPORTANT FILING DATES.

| | |

| 5/15/2017 | Non-Profit 990N due date. |
| 6/1/2017 | ME Annual Rpt. Due (Corp & LLC) |
| 9/15/2017 | Extended 1065 & 1120-S due date. |
| 9/30/2017 | Extended 1041 due date. |
| 10/16/2017 | Extended 1040 due date. |

If you receive an extension it is important to know that it is only an extension for time to file. You must estimate the amount of tax you will owe and pay it before the original due date to avoid late payment penalties. If you are on extension, and file your tax returns after the extended due date, late filing penalties and interest will be assessed back to the original date due, as if you did not have an extension. Most penalties are calculated based on the original amount of tax due.

Partnerships and S-corps (including LLCs taxed as partnerships or S-corps) are pass-through entities, meaning they are not taxed, but that the taxable income from them is passed-through to the owners' or partners' tax returns via the K-1 documents. Since there is no tax due to calculate a penalty, the late or failure to file penalty is a flat \$195 per shareholder or partner per month to a max of 12 months, calculated from the original due date.

To keep the IRS and Maine penalties for failure to file and late filing at bay, file your tax returns on time, even if you cannot pay right away.

\$100 WINNER! Last year's winner of our drawing was Gerald & Valerie Clapp of West Enfield. This year all completed 2016 income tax return clients will be entered and the \$100 winner will be drawn at 5 pm on Monday, April 17, 2017.

FINAL YEAR. 2016 Is the last year for the tuition and fees deduction, mortgage insurance premium deduction, and the exclusion of debt forgiveness income on a principle residence.

FEDERAL REFUND DELAY. THE IRS will delay refunds until February 15, 2017 if the refund includes the Earned Income Tax Credit or Additional Child Tax Credit.

ACA / OBAMACARE open enrollment started on Nov 1, 2016 and ends Jan 31, 2017. If you are self employed as a sole proprietor, corporate shareholder, or partner, use caution when estimating your income to determine an ACA premium tax credit subsidy to lower your insurance cost. Estimating too low can result in thousands of dollars in additional taxes due with your tax return, caused by having to repay advance premium tax credits taken.

THE ACA PENALTY for not having health insurance this year has increased to \$695 per adult or 2.5% of your household income in excess of your filing threshold, whichever is higher.

SOCIAL SECURITY recipients & military retirees will receive a 0.3% cost of living adjustment in 2017.

RETURNS WE PREPARE include EZ, short and long form 1040 personal income tax returns, sole proprietor returns, landlord and rental income returns, farm returns, partnership returns, corporate income tax returns, and also amended returns, and extensions to time to file.

TAX FRAUD HOTLINE. If you suspect or know of an individual or company that is not complying with the tax laws, you may report this activity by calling the IRS at 1-800-829-0433, or report on Form 3949-A (available at irs.gov). File Form 211 to receive a reward if applicable. Maine tax violations can be reported by email to MRS.TAXTIP@maine.gov, or by calling 207-624-9600. The caller can remain anonymous.

STEPS FOR IDENTITY THEFT VICTIMS. If you are a victim of ID theft, the Federal Trade Commission (FTC) recommends you (1) File a police report, (2) File a complaint with the FTC, (3) Contact one of the credit bureaus to place a "fraud alert," and (4) Close any financial accounts opened without your permission. For tax related victims the IRS requires that you (1) Complete Form 14039 Identity Theft Affidavit, (2) Respond immediately to any IRS letters or notices, and (3) Continue to file and pay taxes, even if by paper (vs. e-file).

WE PROVIDE PAYROLL SERVICES. You give us your employee hours worked each period and we'll prepare your signed or unsigned payroll checks, employee direct deposits, or detailed pay-stubs for you to attach your own check to. We can accommodate all calculations and deductions such as tips, child support, and retirement plan withholding, as well as vacation and sick time accrual if needed. We prepare all quarterly and year-end payroll tax returns as well as 1099MISC forms for payments to independent contractors.

IN ORDER TO STAY CURRENT and better serve our clients, we attend many hours of tax training each year. This year's training consisted of a one day Tax Practitioner Institute, a two day National Association of Tax Professionals (NATP) 1040 Workshop, a two day NATP Maine chapter tax seminar, a two day Maine Tax Forum, and a two day Maine Association of Professional Accountants "Gear Up" tax seminar, as well as many telephone forums and webinars hosted by various agencies and associations throughout the year. These training events cover many facets of Federal and Maine tax law as well as current changes.
